

Group Notes: Sunday 28 October

Back to school - The Basics of Christianity

There's a lot in the application of this message, so give most of the evening to work through this.

Read: Matthew 10:1 and Matthew 10:7+8

Jesus first called the disciples to himself. Share with one another how your relationship with God is. Be honest about where it needs some attention and where it is strong.

(A great man once said: Who a man is before God is who he is. This is important so how about making this question a once a month thing on a group night?)

All believers are called to preach the gospel. Word storm together the essential ingredients of the gospel. Try using a big sheet of paper or post it notes - go on have some fun with the word! Then list 2 people each that you would love to see meet Jesus.

Healing the sick is part of our calling as disciples of Jesus. What holds you back from praying for the sick? Does your mind need to line up with what the bible says about healing. If yes, encourage one another to spend the next week researching what the bible has to say about healing.

Pray for one another to have opportunity and courage to pray for the sick.

Pray for one another to live out the gospel in front of your friends and family.
