

Group Notes: Sunday 4th November 2007

The Church is a Community of God's Grace Romans 7:1-6

The Bible says that if you are a Christian you are not under the law you are under grace - your position has changed.

Share with one another how you became a Christian or what affect the message of grace has had on your life.

Grace means you are accepted by God and loved by God.

Give everyone a post it note or a piece paper and ask them to write down what grace means to them. After you have all shared your ideas encourage people to put their note in a wallet or purse and carry it around with them.

The desire of God's heart is that we enjoy grace and live it out in the world we are a part of.

Discuss ways that grace can affect the lives of others. Think about the people in your life and what affect you would like grace in your life to have on them.

Pray for one another to experience God's grace and live it out - really want you to get this truth.

REMINDER - Healing Meeting this Sunday, get busy inviting!
