

Group Notes: Sunday 4th November 2007

We have a great couple of meetings over the last few days.

Firstly Ian McCormick, the man who died, was with us on Wednesday and shared his story of God's bringing him back from the dead. Then on Sunday we had Grantley Watkins with us who shared the good news of Jesus and prayed for the sick.

Over both meetings we had over 50 guests present, there were 10 first time commitments to follow Jesus and several recommitments. We also had at least 6 healed on Sunday morning when the sick were prayed for. Praise God.

Questions

1. What struck about from Ian's story and Grantley's sermon?
2. Did you have any guests come along and what did they think?
3. Ian's story was of God's miraculous power at work and on Sunday Grantley prayed for sick and several were healed. Take some time share any needs you may have (could be healing, financial etc) and pray for God's power to move in the situations.
