

# **Group Notes Sunday 18th November – Adrian Horner**

## **Psalm 23 Knowing God as Shepherd**

Read the psalm together and talk about what God said to you on Sunday.

Make sure you talk about how you need to respond to what God has been saying.

Note to men – Adrian highlighted the challenge to men not to be hiding / shrinking back / avoiding responsibility. How can you encourage each other in your group and in particular to encourage the men to be pressing on in their spiritual life? (e.g. do the men in the group get together to encourage each other?)
