

## **Group Questions - The Church is Set apart for God**

### **Isaiah 6:1-8**

Being a set apart people begins with a revelation of God which leads to an awareness of sin and a need to be put right with God. Once a people are right with God they are compelled to take responsibility and share the good news with others.

#### **Revelation**

Being a people set apart for God starts with a revelation of who God is. I would encourage you to spend time worshipping God for who he is and meeting with Him. A good place to start is to remind one another of scriptures that talk about God - try asking everyone to pick something from the Bible to share.

#### **Reconciliation**

Seeing who God really is leads us to an awareness of our own sin and the need for a saviour. Share together any areas of your life that you know you need to put right with God. You may want to break into smaller groups to share and pray with one another.

#### **Responsibility**

An encounter with God and receiving His forgiveness will lead us to a desire to want to tell others the good news of Jesus. Take some time to look at your Christmas pack and decide together who you are going to take responsibility for inviting to the Christmas events.
