

Group Questions - The Church is where everybody matters

1 Corinthians 12

This message had 2 main points:

1. Everyone matters for the part they play
2. Everyone matters for the person they are

Some questions:

1. Which part of the message was most meaningful to you and why?
2. Peter spoke about everyone belonging in the body of Christ and having a God-given part to play in it -- to what extent is that true in your current experience and how could this improve?
