

Group Notes Sunday 27th April

Opening the eyes of the blind – Mark 8:22-26

The key point of Sunday's sermon was that Jesus is able to open physically blind eyes and spiritually blind eyes and our need to persevere in prayer to see people healed, set free and coming into a relationship with Jesus.

Do you know anyone who has been physically healed by God? Share the story.

Is there anyone you are praying for at the moment for either salvation or healing?

Have you ever been tempted to give up when praying for others? What kept you going?

Take some time to worship pray for any who are sick among you.
