

Group Notes Sunday 18th May 2008

Myth, Man or Messiah? Mark 8:27-30

1. Read Mark 8:27-30 and Luke 4:16-21
2. Looking at these verses in Luke that Jesus read about himself. What does it tell us about the things that He came to do (note to leader – this should include salvation, healing and deliverance!).
3. How do we know to expect these same things to be happening through His church today? Look up one or two scriptures to support your conclusions (e.g. John 14:10-14, Luke 24:46-49, I Cor 12:7-11).
4. Read the believers prayer in response to Peter and John being threatened by the authorities in Acts 4:29-30 then pray for God to do the same with us and pray specifically for anyone in the group or in your circle of friend, believers or unbelievers who need healing.
5. Discuss who you can invite to the Fun day on 7th June and spend some time praying for them and asking God for the opportunity to invite them.

Have a really good evening.

Peter
