

## **Group Notes Sunday 15<sup>th</sup> June 2008**

Read Hebrews 12 v1-2

Discuss what God was saying to you on Sunday.

What does your race look like at the moment?

Spur each other to run the race God has set before us. Let the group share any specific callings people have from God, use the story of Jackie Pullinger to inspire each other to fulfil all God has for us.

Re-visit the roads we run along. Where are we running?

- Emmanus Road (knowing Him)
- Damascus Road (getting rid of things that hinder us)
- Jericho Road (compassion)
- Calvary Road (obedience and sacrifice - our example)

Spend time in worship - to focus our eyes on Jesus.

Have a great meeting growing closer to Jesus.
