

Community Group Notes from Sunday 15th February

“In”

There are no group questions this week.

Why not take this opportunity to have an extended time of worship and share bread & wine together.

“Out”

Last week we looked at all that God is doing through the current Alpha Course and what he did at Front Edge Sunday. Hopefully you spent some time thanking Jesus and Praising Jesus.

This week I would like you to focus in on your friends and family that you would like to see on the next Alpha Course or maybe just invite to a Sunday morning. Together as a group plan something or many things that involve people from the group and your friends and/or family. Most people who come to church come in the door on the arm of a friend – this means they come in through relationship 9 times out of 10. Plan a meal, drinks out, a coffee... Anything to get your people involved with your Community Group.

Next week we will feedback on what we did and how it went!!!
