

## Community Group Notes from Sunday 22<sup>nd</sup> February

**“In”**

### **Marriage Matters Part 2 – Mark 10:1-12**

Peter spoke following last week by looking at two further foundations for real unity in marriage and then going on to review the bible’s teaching on divorce and re-marriage.

#### **Group Questions**

1. What questions do you have about the teaching on marriage and divorce? What needs further clarification?
2. Do you have any concerns or questions about the conclusions?
3. How can you honour marriage in the way you live your lives in front of others? (E.g. how you talk about marriage and how that reflects the relationship between Jesus and His church.)
4. How do you feel about having other people in church to talk with about issues in relationships and marriage? How might you explore this more?

**“Out”**

Last week we looked at spending time with friends and family who don’t know Jesus – hope you had fun! This week please feedback as a group on what you did and how it went. Be specific about how you involved one another and what you want to do next to build on relationships with your friends and your group.

If you have not spent time together yet talk about who your friends and family are that you want to see coming to church or attend the next Alpha Course and then plan a night out so that your friends can get to know some of your group.

Next week we will look at who to invite to the Sunday Night Meeting with Baptisms on 8 March – some of your friends and family might just want to try church and find out for themselves what your God is like!!!

#### **Events Coming Up...**

3rd March – **Equipped: Know the Truth Part 1** - 7:45pm @ The Charis Centre

8<sup>th</sup> March – **Sunday Night Meeting with Baptisms** – 6:30pm @ The Charis Centre (speak to your group leader if you want to be baptised)

#### **This Sunday...**

Stuart will be getting into the Gospel of Mark and we will be examining one of the “gods” of our age: money!
