

## Community Group Notes from Sunday 31<sup>st</sup> May

### **“In”**

No small groups this week because it's Encounter and Prayer. Why not text your group to remind them to be there and what we are praying for.

We are praying for the Fun Day and expecting God to meet us in powerful and amazing ways. If you want to fast during the day please use the time to call on God for the Fun Day. That we would spill out what we have on the town. For Try Church to be full of guests. And for the Bite Size Cafe Alpha to have 20 guests on it who encounter Jesus. Amen!!!

### **“Out”**

It's the Fun Day this Saturday so all that is left to do is to remind your group to turn up and serve or come along and bring their friends. See you and the sunshine there!!!
