

## Community Group Notes for Sunday 22<sup>nd</sup> November 2009

“In”

### Genesis 3 - Ruined World - Peter Vincent

#### Group questions:

1) Discuss in which circumstances you are most likely to doubt the truth of what God has said and how you could respond to that.

2) To men: When are you most likely to remain passive like Adam, when you really should be standing up and taking responsibility? How can you overcome this?

To women: When are you most likely to slip into trying to manipulate or control a situation (or your husband if you're married) and how can you overcome this?

3) What struck you most about the teaching on suffering as a consequence of the fall and what questions does this provoke?

(If there is a particular question the group wants to email me before next Sunday: 29/11/09, I will try to deal with it in the next talk, on the 6th December)

#### “Out” by Melanie Crane

It's a busy couple of months and we want to help you make the most out of the events we have planned. Here is what we think you should do in your group this week...

Crafty Christmas and our Christmas Carol happen in December so have a **THINK** now about who to invite to what. Christmas is easy because in this nation people still like to go to church at Christmas. If you have friends with children why not invite them to Crafty Christmas or think about serving at the event – we need you! How about making a giant list now of people you want to invite to our Christmas Carol and then start praying they would say yes and come. **ASK** the right people to the right events. For any help with this ask me!!!

On Saturday 12<sup>th</sup> December we are in Jackson Square with the choir and the drama team and I would love some of you to join me and hand out Christmas Carol fliers – ask your small group and let me know if you want to join me!!!

I would love to know what you are getting up to so please text: 07929791382 or mail [melanie@thecommunitychurch.org.uk](mailto:melanie@thecommunitychurch.org.uk)
