

Community Group Notes for 17th January 2010

“In”

Peter continued on his series ‘Relating to God’ and the part Worship play in our relationship with God.

Group Questions

1. In corporate worship we all occasionally slip into the mentality of “is this doing it for me?” instead of “I’m doing this for God?”. How can we avoid this?
2. Review the seven points we can remember to help us worship God with all our hearts - discuss which of these is most important for you? (see the list below)
3. Talk about your experience of worship on your own, what helps and how you might help each other to grow in this.
4. Talk about your experience of worship in your group and what helps.

Remember...

1. He is worthy
2. What He’s done
3. He’s given you a new heart
4. Worship is a choice
5. He’s a loving Father
6. He has made a way (into His presence)
7. Meet together (to be encouraged)

“Out”

Alpha – Tuesday 26th January

Pray for the people you are inviting to Alpha.

Rock n Roll Night – Sat 27th March

Who could you invite to this event, a great way to get people into the Charis Centre and show them that Christians are normal(ish) people!

Don’t have anyone to invite? Then call the office sign up for the serving team and help spread the gospel by clearing up!
