“In”

The Greatest Day in History

Summary of Message

Peter spoke on the theme of conflict under these headings:-

- Conflict in Jesus' life.
- Conflict in History (for the destiny of mankind).
- Conflict in our lives for our relationship with God and the way we live.
- Conflict on the Cross as Jesus was killed by His enemies but defeated them through His death. Jesus sacrificed Himself to satisfy the holiness of God that demands perfection, the love of God that demands forgiveness and the justice of God that demands consequences and punishment.
- Conflict in the tomb. The resurrection confirms
 1. Jesus' identity as the son of God He claimed to be.
 2. Jesus' authority to forgive sin and bestow eternal life.
 3. Jesus' sufficiency as God accepted His sacrifice for sin.
 4. Jesus' power to destroy the works of the evil one and cancel all the effects of sin.
- Conflict for your life. There is a battle over whether or not individuals will be reconciled to God and live for Him.
